

APPETD EVENTS

2022 INFORMATION PACK

ACHIEVING EXCELLENCE IN EDUCATION TOGETHER

APPETD EVENTS

APPETD promotes quality of education and training while lobbying for the inclusion of private provision in all activities that contribute to excellence in skills development for people.

We represent employers of education, training and development professionals at industry bodies that focus on training for employability and the creation of job opportunities. Our members enjoy the opportunities for capacity building and being kept informed via online information sessions, informal chat sessions, workshops and indabas which offer an opportunity to acquire knowledge and develop networks in the education sector.

At our events, we provide information, training and networking opportunities to our members and to those who seek to learn more about the education and training sector.
