### MEMORANDUM TE01 OF 2024

#### REWRITE OF MOTOR TRADE THEORY N2 NOVEMBER 2023

The Engineering examination commenced on 20 November 2023 with **Motor Trade Theory N2** that was written on 1 December 2023.

This memorandum serves to inform you that an anomaly occurred during the writing of **Motor Trade Theory N2** because the question paper was a repeat of the August question paper therefore the Department of Higher Education and Training (DHET) and Council for Quality Assurance in General and Further Education and Training (Umalusi) have resolved that the results should therefore be nullified.

The CD: NEA has therefore resolved that the paper be rewritten on 6 February 2024 so as not to impede student progression and funding.

Please note that the students that did not meet the minimum ICASS entry requirements for the November 2023 examination will still not be able to write this examination.

Regards

  
Mrs VM Tshetlo
